

Installing Alive5 on WordPress

A How-To Guide

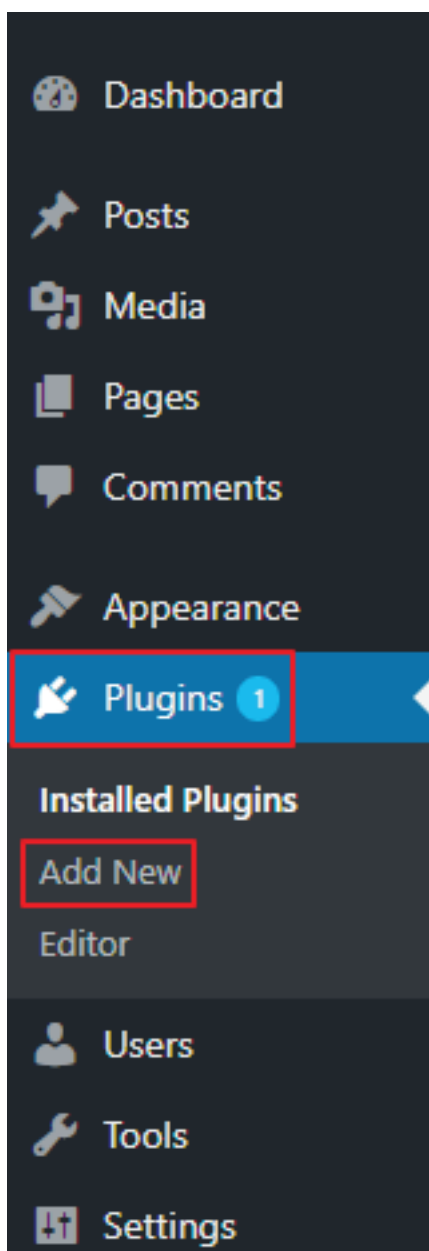

alive⁵
SMS Made Simple

Requirements: You will need to have an alive5.com SMS account and a widget set up to use this plug-in.

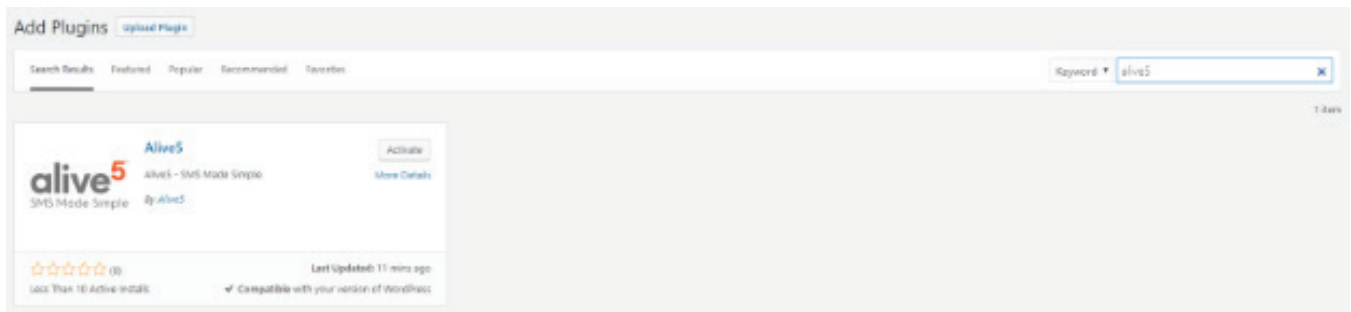

Installation (2 ways):

1. Search through your Wordpress Admin Dashboard

a. Go to Wordpress Admin Dashboard > Plugins > Add New

b. In the search bar, type in “Alive5” and then click the Search Plugins button.

c. You will see the “Alive5” plugin displayed. Click the “Install Now” link.

d. Wordpress will ask if you are sure that you want to download the plugin. Click Yes to confirm.

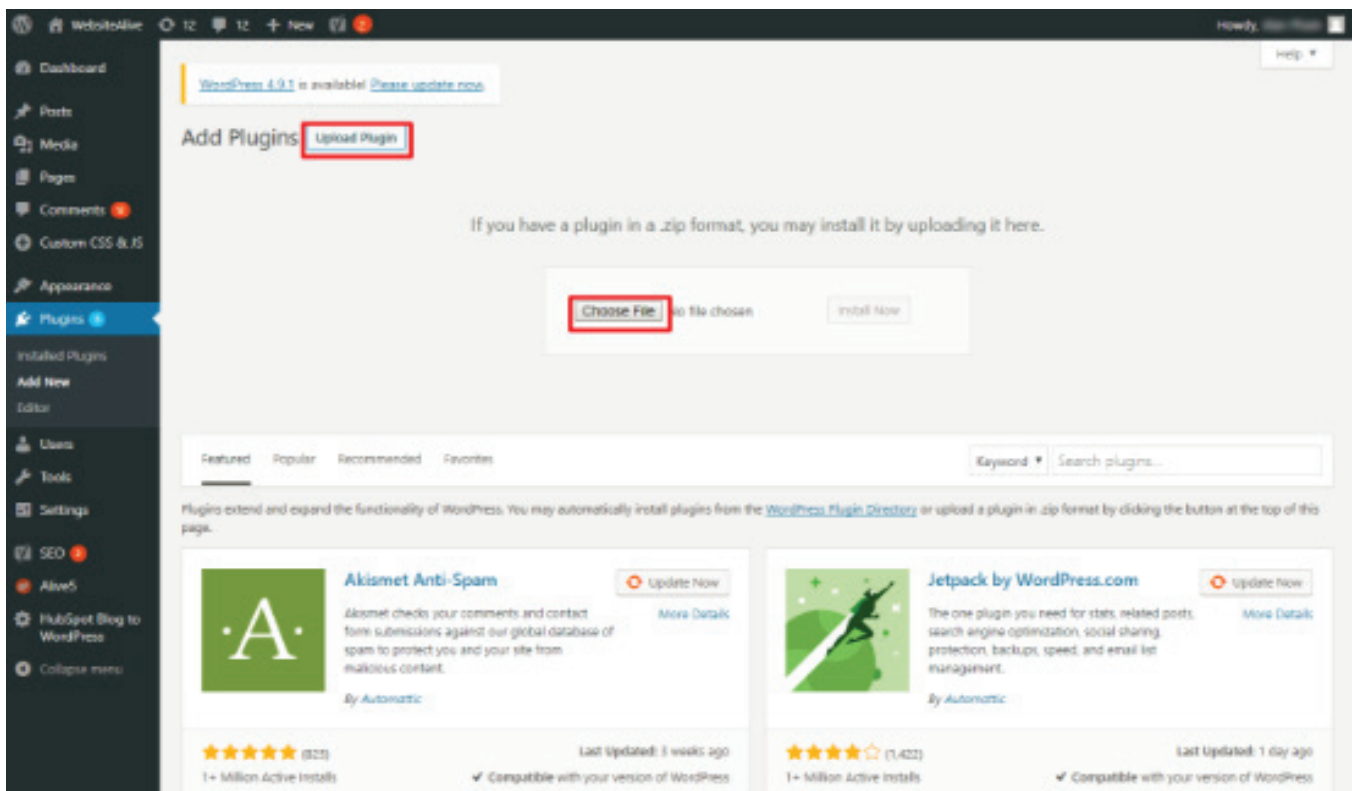

e. Wordpress will install the plugin, once completed you will need to click the “Activate Now” link.

2. Go to <https://wordpress.org/plugins/alive5>

a. Press Download. This will download the file: “alive5.zip” to your hard drive.

b. Go to your Wordpress Admin Dashboard > Plugins > Add New.

c. Click “Upload Plugin” and Choose File.

d. Select the “alive5.zip” file and press “Install Now”

e. Wordpress will ask if you are sure you want to install the plugin. Click Yes.

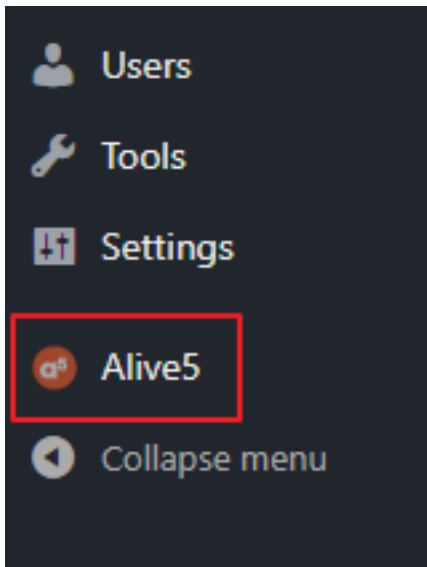

f. Wordpress will install the plugin, then you will to click the “Activate Now” link.

Configuration Settings:

Now that you have installed the Alive5 plugin, you are just minutes away from chatting with your site's visitors via SMS!

To configure your Alive5 plugin:

1. Click on Alive5 in the Wordpress Admin Dashboard.

2. Click on the Settings tab and enter your Alive5 credentials, then click Next.

3. Select the desired widget from the Widgets tab.

You are now all set up and ready to engage customers via SMS!

New Account Setup:

If you are new to Alive5:

1. Visit <https://alive5.com>
2. Create an organization, and input your email address. Then click “Register” button.
3. You will receive an email to verify the information for account creation. Once verified, navigate to <https://app.alive5.com> to login.
4. Choose your plan.
5. Set up.

You are now all set up and ready to engage customers via SMS!
